NOTE: Features may vary by device, settings and quality of signal. When Wi-Fi is not available or cellular usage is selected, standard phone plan data and voice usage charges apply. Mobile client calls may drop or lose quality when Wi-Fi or cellular signals are lost or weak. Like most applications, UC-One will draw energy when open, and using Wi-Fi will consume battery.　More at www.telnetww.com.　　R61, v1.2
