

## In Conference Options

The moderator can manage an active conference call using “floor controls”. Floor control is available via the telephone or using web-base Floor Control window. Likewise, conference guest participants have a limited set of in-conference features available via the telephone or using the web-based Floor Control window.

- Moderator Floor Control Options
  - To Mute/Unmute All Participants, dial \*5
  - To Lock/Unlock the conference, dial \*4. When a conference is locked, new participants will not be allowed to enter the call.
  - To Disconnect All Participants and End the call, dial \*7. All participants will be disconnected from the conference. If the moderator subsequently rejoins the call, participants will be able to rejoin the call as well.
  - To Add Additional Ports to the Conference Reservation, dial \*3.
  - To Extend the Conference Reservation by an additional 15 minutes, dial \*6.
  - To Play the Roll Call, dial \*2. The names of all participants will be recited.
  - To Raise Hand for Attention, any participant may dial #8. To lower their own raised hand, any participant may dial #9.
  - NOTE: The following additional feature are available via the Web Portal: Mute/Unmute a Participant, Drop/Release a Participant, Change Name of a Participant, Acknowledge All Raised Hands.
- Guest Participant Floor Control Options
  - To Raise Hand for Attention, any participant may dial #8. To lower their own raised hand, any participant may dial #9.
