

MICROSOFT TEAMS PREMIUM DESK PHONE

Yealink is a global brand that specializes in high quality, innovative and user-friendly communications devices.

MP56 Desk Phone

The MP56 E2 combines professional hardware and software technology to deliver crystal-clear voice communications. This phone has been purpose built for Microsoft Teams which provides a rich visual presentation and easy menu navigation.

VoiceMail Transcription

Playback or read your voice messages directly from desk phone. Visual voicemail allows you to quickly navigate between messages.

Advanced Features

Hot desking allows other users to sign-in to phone. Add speed dials directly on phone, view call history, add and view contacts in directory.

Calendar Integration

Access your MS Teams calendar directly from the phone. Quickly join, add or modify meetings.

Color Touchscreen

Use the large 7" high resolution color touchscreen. 1024 x 600 pixel display. Built on Android OS.

High Definition

An exceptional voice experience with Optima HD voice and an acoustic shield that eliminates background noise for added clarity.

Classic Features

A comprehensive list of telephony features including extension dialing, caller ID, conferencing, voicemail and more.

Adaptability

Includes dual Gigabit Ethernet ports, PoE support and a USB port.

Wireless Connectivity

Includes built-in Wi-Fi and Bluetooth for advanced wireless connectivity.

Certified for MS Teams

The MP56 is designed and certified to work with the Microsoft Teams phone system. All devices and apps are managed directly in the familiar Teams Admin Center.
